## Future Solutions Now!

*eHDL – an eHealth company with optimal turnkey solutions!*

Connecting the dots in Health Care between Payers and Providers --- NCQA Credentials Verification Organization.

HealthNet Data Link, Inc. (HDL), an eHDL Company, provides Credentials Verification Services. Provider Credentialing is available for Hospitals based upon JCAHO Hospital standards, and Managed Care Organizations based upon NCQA Managed Care Standards. HDL is fully certified by NCQA\* for 9 out of 9 verification services. Hospital customers have scored in the 94%-100% range on JCAHO surveys.

HDL offers a complete line of Credentialing Verification Services, including Initial Credentialing, Re-Appointment/Re-Credentialing, Continuous Credentialing, Pre-Populated of Applications, Mail Out Services, and "Rush" Services.

Secure authorized access is available On-Line for Provider credentials, reports, summary information, "Tickler" information, data tracking, and updating.

*\*"The National Committee of Quality Assurance (NCQA) is an independent, non-profit organization that certifies credentials verification organizations, and accredits managed care organizations."*

## Experience The Difference!

- timely Completion of Records
- Current data on Providers
- Secure On-Line access
- Custom Reporting
- "Tickler" System Updates

*Out-sourcing Provider credentialing can free up staff time to perform other Provider Relations and Medical Staff coordination functions. Reduce the headaches associated with site visits and accreditations by maintaining provider credentialing verification through HDL.*

# Credentialing Verification Products and Services
