

Preferred Provider Membership Organization Services

Providing
Administrative and Technology Services
to Providers,
Insurance Sponsored Networks,
Insurance Companies,
and Employer/Self-Funded Groups.

Future Solutions Now!

MedNet Solutions, LLC, an eHDL company, develops and manages Health Care Provider Networks to contract with Managed Care Organizations and Self-funded Employer Groups.

The MedNet Organization and affiliates recognize the value of health care providers in an integrated health care delivery system. MedNet builds local and regional organizations that contract to deliver clinical care. Through technology and administrative services available from eHDL Providers, patients, and Payers can achieve their goals of high quality, cost-effective, and financially remunerative care.

MedNet's approach is built on reorganizing the health care environment for administering the delivery of Healthcare services, such that Healthcare Providers can spend most of their time in providing care to their patients. MedNet and its affiliated companies provide Administrative and Electronic Transaction Services. By electronically and contractually linking Payers with MedNet's Provider Organization, business is transacted in a real-time, low cost and risk-mitigated environment.

MedNet Solutions, LLC offers a Preferred Provider Membership Organization that allow Providers to participate in new and existing Healthcare contracts from HMO's, PPO's, POS's, IPA's, MSA's, Self-Funded Groups/Employee Benefit Organizations, and Insurers. MedNet provides a full complement of expertise and capabilities in Marketing and Business Development, Electronic Data Interchange Transactions, and Provider Credentialing.

Benefits of the Preferred Provider Membership Organization (PPMO)

1 Membership provided at no cost to the Provider

2 Marketing & Business Development opportunities

- Access to existing and new contracts

3 Electronic Data Interchange (EDI) Transactions

- Electronic connection to national and local Payers
- HIPAA-Compliant Electronic Transactions for Eligibility and Benefits, Claims Filing, Claims Status, Remittance, Referrals, and Authorizations

4 Provider Credentialing

- NCQA-Certified Provider Credentialing available to Members of MedNet's PPMO at no cost

5 Self-Insurance and other employee benefits available to PPMO members

6 CME opportunities to PPMO members

MedNet Solutions, LLC empowers health care Providers by providing all of the Administrative and Electronic Transaction Services required to manage patients in various contractual arrangements.

Experience the Difference!

- Timely reports to providers
- Accurate information that predicts financial outcomes
- Utilization analysis that produces quality managed care
