Future Solutions Now!

MedAdmin Solutions (MAS), an eHDL Company, providing Third Party Administration Services in a manner that balances the needs of Payers and Providers.

As a neutral party between various health care entities, MAS' Information distribution and processing services are central to managing care. An e-health leader for over 12 years, MAS provides integrated administrative solutions, linking Providers, Employers, and Managed Care Organizations. MAS-customers enjoy increased revenues and reduced administrative costs.

MAS has all of the component services necessary to administer the complex functions associated with covered lives under Self Funded and Managed Care arrangements. Responsive, state-of-the-art Customer Service, Claims and Cost Management Systems are available to a client base with a range of contracting situations.

MAS and its affiliated companies provide consultative services to help Health Care Organizations and Self-Funded Employers evaluate their benefit programs in terms of Content and Direction, Plan Utilization, and Physician Practice Profiling.

For over one Million covered lives, MAS administers the Benefits, Adjudicates and Reprices Claims, provides Referrals and Authorizations, Case Management, Medical and Capitation Management.

Experience The Difference!

- Low entry cost for service – Pay as you go
- Produce revenue opportunities for current clients
- Business and Electronic Links between Payers and Providers
- Real-time information that reduces risk
